USACE INNOVATION SUMMIT 21

INNOVATION TO IMPACT
LEADING FROM THE FUTURE

25-29 October 2021

The USACE Innovation Summit 2021 will provide industry, academia, and the U.S. Army Corps of Engineers with the opportunity to collaborate and connect with the overall goal of shifting a culture that tends to be risk averse to one that will take a chance with innovative ideas.

Abstracts must be submitted by 31 May

To submit abstracts, register or for more information,
